**URGENT**

OFFICE OF THE DEPUTY COMMISSIONER  
SHIMOGA DISTRICT

No 22221 - A.G.1106/20-27

Shimoga Dated the 23rd November 1928

From **A.K.Syed Taj Peeran, Esq., B.A.,**  
Deputy Commissioner,  
Shimoga District

To **G.S.Balasundaram Iyer, Esquire., B.A.,**  
Muzrai Commissioner in Mysore,  
Bangalore.

Sir,

In submitting herewith a copy of para 2 of my letter No.O.G.277 of 21-22 dated 2nd May 1928 in the matter of the construction of a separate building for the Thirupaliaha's Chatram, I have the honour to state that it is in G.O.No.5362-3 dated 18th May 1907 that Government passed orders, with certain observations, in regard to the maintenance of the charities established by the late Mr.Thirupalappa in the Shimoga Town. A sum of Rs 27,000/- was invested in the Mysore 4 per cent loan of 1906-07. Mr.Venkatappa, the grandson of the founder of the charities was appointed the sole Dharmadarsi for the management of the charities. A scale of establishment and other expenditure to be adopted in the chatram and other charities was sanctioned. The Charities consist of the following :-

1. Annachatram at Shimoga.
2. Sri Anjaneyaswami's Temple at Shimoga got built by  
Tirupalappa
3. Other charities consisting of four items

Inclusive of provision of Rs 27-0-0 for repairs to temple, chatram and chatram vessels, the total expenditure provided in the scale comes to Rs 1000/- which is equal to the inter-

earnings on the 4 percent loan investment - subject to certain conditions and the supervision of the local Muzrai Officers, it was ordered that the half-yearly interest on the 4 percent loan namely, ₹ 540/- might be disbursed to the said Venkatappa. His prayer for appointing a competent person from among his family members to succeed him in the management of the charities after him, was also sanctioned subject to the condition that the nomination should be approved by Government in the Muzrai Department. Mr Venkatappa during his life time administered the charities properly.

2 On the demise of Mr. Venkatappa, his son, Mr. Venkatasubbiah was appointed sole Dharmadarsi in Government Notification No 1928/Muz 316-13-2 dated 28th January 1914. He did not take sufficient interest in the management of the charities and consequently the scale of expenditure was not being fully expended. In fact, the utility of the institutions was much curtailed and the public did not derive the full benefit of the charities. While matters stood thus, the chatram building itself was seriously damaged by the abnormal floods of 1924 and the question of erecting a new building at a spot away from the flood area had to be seriously thought of. Attempts to secure the co-operation of Dharmadarsis, Mr Venkatasubbiah, were not successful, though he had put in a petition for the purchase of the Purniah's Chatram building for purposes of the Thirupalappa's chatram. He subsequently represented that his son Mr Thirupaliah, might be appointed the sole Dharmadarsi in his place and this was sanctioned by Government in Notification No 1010/Muz 207-25-2 dated the 8th February 1926. Mr. Venkatasubbiah thereafter died. It is a matter for satisfaction that the present sole Dharmadarsi Mr Thirupaliah, young as he is, is evincing a good deal of interest in the administration of the charities. It is hoped that he will continue to work with the same enthusiasm and manage the charities successfully and to the satisfaction of the public for a long time to come.

3. There was some difficulty in settling the site for locating the new chatram building and it took some time also. A very desirable and suitable site has finally been selected. It is a portion of the park abutting the District Office - Park Road - In this locality the Shimoga Town Municipality by an unanimous resolution of the Council, has been pleased to grant free of cost a site measuring 150 feet by 200 feet. If this site had been disposed of for other building purposes, it would have replenished the coffers of the Municipality to the extent of not less than Rs 2000/- It is so kind of the Municipal Council to have made such a munificent gift in aid of this charity. The present Dharmadarsi and his relatives are quite agreeable to the chatram being built on the aforesaid site

4. For some years past after the advent of Mr Venkatasubbiah as sole Dharmadarsi, the half-yearly interest on the endowment, as trust interest warrants are received from the Comptroller, is being deposited in the Savings Bank Account in the name of the Deputy Commissioner and payments are made on the bills presented by the Dharmadarsi. As observed already, the full expenditure provided in the scale is not being incurred. Every care is being exercised to admit only such items of expenditure as are actually incurred according to the scale sanctioned. Besides in the year 1920 the Government began to pay an enhanced rate of interest on the endowment, so that the annual interest has now increased from Rs 1080/- to Rs 1480/- while the old scale of expenditure has not undergone any revision. As a result of these causes there is at present in the Savings Bank account a sum of Rs 11,885/- being the Savings from the interest earnings after meeting the expenditure. The Savings Bank interest for 23-24 on the deposit account has not yet been adjusted. This will come to not less than Rs 500/- At the request and with the consent of the Dharmadarsi the old chatram building is arranged to be

1 and sum not

less than ₹ 800/- would be fetched thereby. Thus in all a sum of ₹ 12885/- would be available almost immediately by the end of October 1927. A sum of ₹ 1420/- would be earned as interest and the total/then <sup>would</sup> come up to ₹ 14305/-. During this period from now not more than ₹ 800/- would be required for the current expenditure on account of the charities as the expenditure on account of chatras has completely stopped as also some other items of substantial amounts. It is now proposed to construct a new building for the chatra at a cost of ₹ 12000/- to ₹ 13500/-. The sole Dharmadarsi Mr. Thirupalish, is not only agreeable to this but is pressing for the early execution of the work. I have requested the Executive Engineer, Shimoga Division, to kindly prepare the plan and the estimate for the building and on receipt of the same I shall submit the estimate for sanction.

5. Mr. Thirupalish, the Dharmadarsi prayed that the Dewan Sahib might be pleased to lay the foundation stone for the chatra building during his proposed visit to this District. On my recommendation the Dewan Sahib has been pleased to accede the prayer. As the proposed tour has been postponed the function will be arranged when the tour is undertaken. It is expected that this ceremony would cost about ₹ 300/- and the Dharmadarsi has requested to meet the same from the deposit amount in the Savings and there is no objection to comply with his request.

6. The question of revising the scale will be taken up after the chatra building is completed. It was the desire of Mr. Venkatappa, the endower of the Funds, to have a building grander than the original one and it is gratifying that it has now come to fruition without any demand for funds from the invested amount.
